Chorus, Sleep While the Soft Even-

ing Breezes..... H. R. Bishop

High School

Benediction.

The principal of the academy is

extending a cordial invitation to the

public to attend these services.

## KING 8 IN ANOTHER TEST

The Motor Sales Corporation, local dealers for the King automobile have just been advised of a very successful run made by the King car which is as follows:

For the second time within a fort night an eight cylinder King has negotiated a severe high gear run, this time in the east, 544 miles was covered with a seven passenger load of 1270 pounds the crew having run continuously for three quarters of the journey.

Following closely on the 987 mile high gear run from Los Angeles to San Francisco and return, over the mountains of that western rugged county, the two records stand as real flexibility tests for the eight cylinder King.

Starting from Providence, R. I. at 6:46 a. m. May 23, the Longley Motor Sales Company, selected a brand new seven passenger King for the test.

The King started this trip in a pouring rain. The roads were good until they passed Worcester when they struck Leicester Hill a 20 per cent climb. Mr. Justin who drove the car, brought the King safely over the top with its heavy load. Near the top of this hill Mr. Justin had to bring the King to a stop—another car was stalled at the top of the hill.

The King showed its wonderful flexibility for Justin had to start up the steep grade on high gear.

Speed tests may be made, hard grinds run on specially constructed speedways but according to the members of this Providence High Gear party it would be a very unusual thing for the ordinary motorist to at any time call upon a car to do thru the same stunts that Justin demanded of this particular King.

## VEIL LIFTED; WHAT IS A CHAUTAUQUA?

Just now every one in Logan is wondering what the word Chautauqua means. We see Chautauqua buttons on every breast, Chautauqua cards in every shop window, and Chautauqua banners all along Main street. We have heard people speculate as to whether Chautauqua is a cheese, a big chief or a false prophet. By far the best definition of the word is that given by our k-nial fellow citizen, Mr. Lew Edwards. He says that a Chautauqua is a mixture of a circus and a housekeepers' conference. Logan loves both, and will be glad to taste the mixture.

Like a housekeepers' or farmers' conference a Chautauqua is open to all, it has priceless uplift features, and it has social features that draw the community together from far and wide. But like a circus it is vastly entertaining as well as instructive and has a different ring for every day in the week. You get lectures on travel, civic improvement, and all of the problems of life, and you also get band and grand opera music, sister acts, a Kaffir side show, readers, and singers.

Like all good things the Chautauqua came to us from out the church. About forty years ago the Methodist Church conceived the idea of a summer school for Bible study on the shores of Lake Chautauqua in New York state. The idea took like wild fire, especially when they began to study something else besides the Bible, and now the mother school teaches not only Bible, but everything under the sun to thousands of students each summer, and all over the United States lecture courses with musical features have sprung up in imitation of the Chautauqua idea. At last it has reached Logan and the list of musicians and lecturers that are coming to Logan during the week of June 12 is well worthy of Logan's attention.

The business men of Logan to the number of thirty-five are giving the movement its financial backing. They believe that Logan as a college city and county seat should offer its citizens and neighbors a week of excellent entertainment. They also know that the Chautauqua lecturers go all over the United States and will be glad to speak a good word everywhere for our little city.

Logan is getting into line on all of the big city movements. We have long had all the necessary city equipment except a public library and a high school, and now like big Salt Lake, Ogden, Provo, and tiny Tooele, we are going to have our Chautauqua.

## OLD FOLKS EXCURSION

J. C. Knowles, chairman of the Old Folks committee of Cache stake announces the old people's excursion to Saltair on June 13. The train will leave here at 7:30 in the morning of that date. All persons over the age of 70 years will ride free. Those under the age of 70 years who wish to take advantage of the excursion may do so for a \$2.75 rate. Those over 70 years must all wear badges which will be given by the committee of the various wards. The committee members are requested to meet on Sunday afternoon in the Preston block at which time full details will be given.

## DECLINE TO ACT AS OFFICERS

Mrs. D. C. Budge and Mrs. Moses Thatcher decline the offices of president and vice president conferred upon them (in their absence) at a meeting held last Monday morning in the interest of a branch organization of the National Councilors of Woman Voters.

It pays to advertise.

## WEDNESDAY IS GOOD ROADS DAY IN THE COUNTY

Next Wednesday, June 7, has been designated as Good Roads Day, and it is expected that every team which was promised for May 24, will be on hand. The sub committee on teams will make a canvass in order to make sure of the necessary number.

The committee on pits and distribution of material have been appointed to visit the merchants and ascertain how many men can be permitted to work on the road next Wednesday. To keep the large number of teams busy it will be very necessary that the various firms let all the men go that they possibly can spare. A special effort will be made to secure single handed men outside of the business section. The plan is to get the material on the road and if necessary most of the men will be placed in the pits and the material placed later by other means.

The U. A. C. Faculty and college hands have agreed to work on the road extending around the college hill. This will be a big help as the road is very rough and uneven.

Citizens from River Heights have also agreed to work on the road leading from River Heights to Logan. The Roads committee will cooperate as far as possible with the people as this road is much traveled and needs repair.

The refreshment committee will be out in the forenoon and afternoon with a good supply of meat and cheese sandwiches, etc., for all the workmen.

As the schools are closed it is expected that a large number of boy scouts, local students and professors will assist. The Brigham Young College faculty will be called upon for assistance.

Some people refuse to work on the roads not passing their places or interests. This is absolutely the wrong stand to take as the efforts must be confined, otherwise no results can be obtained. Furthermore the main highways must receive attention first, so the traveling public can get in and out of the city with ease. Tourists will not enter and leave the city on side streets, therefore if the main highways are not in good condition, one city gets unfavorable advertising and drives the business away.

The Logan canyon road is a most important one as it is a branch of the Yellowstone Highway and a state highway. Aside from Main it is perhaps used more in the summer than any other road. It is traveled much by the tourists who go away and advertise our beautiful canyon.

For these and other reasons the work next Wednesday will be confined to the Logan canyon road. Every loyal citizen who can possibly get away should be at the Commercial Club Wednesday, June 7, at 8 a. m. to do a full day's work.

## RESERVE YOUR SEATS EARLY

Seats for the U. A. C. Baccalaureate sermon, Sunday, June 4; and Commencement exercises, Tuesday, June 6, are being reserved for those who apply for them as has been the custom in the past.

The general public are requested to secure their reservations by telephoning the office of the registrar, number 102-W. Tickets thus reserved will be held for all in room 107 of the main building until ten minutes before commencement of the program.—Adv.

## ALUMNI MEETING

The annual business meeting of the A. C. Alumni Association will be held in the college cafeteria tonight at 8 o'clock. All members of the senior class are expected to be present.

Our Want Ads are business getters.

## BAILEY FAMILY REUNION HELD AT WELLSVILLE

On Memorial Day the family of the late Charles R. Bailey held a reunion at Wellsville. A beautiful monument had been purchased by the family and placed on the family lot in the Wellsville cemetery. After attending the Memorial services held at 11 a. m. the family repaired to the tabernacle where a sumptuous dinner was served.

At 3:30 p. m. the doors of the tabernacle were thrown open to the public and a large audience filled the auditorium.

A program consisting of solos, duets, quartets, choruses and instrumental music also readings and speeches, were rendered by members of the Bailey family, assisted by S. B. Milton of Logan, who is a nephew of Charles R. Bailey.

During the program Mrs. Jane Bailey Walters, read a sketch of his life. The program was punctuated with hearty applause and throughout the pleasure of the audience was visibly manifest.

A vote of thanks was extended to all who had taken part.

At 6 p. m. a family organization was effected with the following officers: James R. Bailey, president; William A. Bailey, first vice president; Daniel J. Bailey, second vice president; Jane Bailey Walters, secretary; Jennette Bailey, corresponding secretary. Members of the family represented were, two wives, 18 sons, 6 daughters, 110 grand children, 12 great grandchildren.

A splendid spirit of love and unity prevailed throughout the day and all concerned are very much to be congratulated upon the success which crowned their efforts.

## BAND CONCERTS ON WEDNESDAY OF NEXT WEEK

It is the intention to start the band concerts next Wednesday evening on the Tabernacle square. If sufficient funds can be secured concerts will be given every Wednesday and Saturday evening during the summer months. The Logan Military band consists of twenty-five pieces and is in excellent condition. It is considered one of the best bands in the state.

The Public Entertainment committee of the Club is busy soliciting funds for the concerts. Lieutenant E. Santschi Jr., a member of the committee has succeeded in getting considerable money from sources not solicited in the past.

As the concerts are a benefit to all, every one should assist. Small amounts will be gladly received. The places directly benefited are contributing their portion. The various women's clubs will be asked to contribute.

## MILK PRICES FOR MONTH OF JUNE

Borden's Condensed Milk Company of Utah announces that it will pay for milk at Logan and Wellsville plants during the month of June, 30 cents per pound for butterfat at patrons milk stand, and 32 cents per pound delivered at the factories. LORENZO HANSEN, Supt.

## EDWARDS MILLINERY

Call and look over our stock of suits, hats, coats, and summer millinery at prices within reach of all. We know we can meet your style. Edwards Millinery, 145 North Main, Logan.—Adv.

There will be a grand street parade to advertise the Chautauqua on Wednesday afternoon just before the band concert. A full announcement will be made on Tuesday.

## B. Y. BANQUET AND BALL HELD THURSDAY EVE.

The annual reunion of the Brigham Young College Alumni Association was held Thursday evening, the entertainment consisting of the annual banquet and ball at which about 225 persons were served to a banquet in the library room of the west building. This was by far one of the largest gatherings of graduates to ever assemble at the institution on a similar occasion.

This being the tenth anniversary of the graduation of the class of 1906, there was a large representation of this class present and the program consisted of a rather unique arrangement gotten up in a passport style featuring the class colors of the '06's and '11's. Pres. James H. Linford acted as toastmaster being introduced by Pres. Parley E. Peterson of the Association.

There was a most congenial spirit permeating the whole evening's entertainment, every member of the association entering into the spirit of the occasion and a most enjoyable time was had.

The catering by the Murdock Candy Company was equal to that of any former occasion. After the serving, the toastmaster introduced the following: J. C. Allen, '06; R. Scott Zimmerman, '11; William Lyle Allred, '06; Peter A. C. Pederson, '16; and W. W. Henderson, '03.

The dancing party was no less a feature than the banquet. The old members of the association seemed to be on to the latest dancing equally as well as the new members and a jolly good time was enjoyed, the party not breaking up until 12:30.

## PIONEER LAID TO REST AT PARADISE

Paradise, June 1.—Funeral services were held in the meeting house on May 30 over the remains of Levi Smith, who died, May 28. The choir sang, Till the Resurrection Day. Prayer was offered by A. V. Reese of Benson. Trio by members of the choir. The following then spoke on the highest terms of the life of the departed: Samuel Oldham, Bishop Emis of Draper; Gideon E. Olsen, W. G. Reese of Benson. A solo, Perfect Day, was sang by Mrs. Lizzie Lemon. The choir further sang, I Need Thee Every Hour. Benediction was pronounced by D. J. James.

Mr. Smith was born in Hartfordshire, England in 1847, came to Utah October 26, 1855, was a good citizen and well respected by all who knew him. Deceased leaves a wife and one daughter.

Decoration Day was observed here at 4 o'clock, a meeting was held at the cemetery. Samuel Oldham and Joseph White addressed the people. Joseph Norris and Samuel Oldham sang a duet. There was a baseball game between the Wellsville and Paradise teams. The score ran 13 to 4 in favor of Paradise.

Mr. William Bickmore of Weston, was a visitor on Decoration Day.

## M. I. A. CONFERENCE

The Twenty-first General Annual Conference of the Young Men's and Young Ladies' Mutual Improvement Associations and the Fourteenth Annual Conference of the Primary Associations of the Church of Jesus Christ of Latter-day Saints will be held in Salt Lake City, on Thursday, Friday, Saturday and Sunday, June 8, 9, 10 and 11.

All members are invited and all officers are particularly requested to be present at all of the meetings of the conference and a cordial invitation is extended to the Saints generally to attend the meetings to be held in the Tabernacle at 2 and 7 p. m. on Sunday, June 11.

## COMMENCEMENT EVENTS AT THE B. Y. COLLEGE

Thursday, Commencement Day at the Brigham Young College closed a very successful year at that school. From the exercises at 10:30 until after the Alumni ball at night the days program was carried on pleasantly and with dispatch. Prof. Henderson's address to the 79 graduates, with its simplicity, forceful, easy and conversational delivery was one of the best ever given in that school. His eulogy to parents and to Alma Mater touched a responsive chord alike in the heart of graduates, parents of the graduates and Alumni. The papers delivered by George King and Mabel Law were scholarly and effective.

A very interesting part of the exercises was the President's report. This report showed a number of things that indicate stable standing of B. Y. C. In spirituality, interest and scholarship the faculty is the peer of an ystate institution; in numbers, B. Y. C. now exceeds by more than 50 any record of the institution and makes, in this regard too, a favorable comparison with other institutions in the state; the student body has been generous and loyal, giving donations and repairs to the amount of more than \$1,000.00. The College which four years ago was paying yearly interest on a debt of more than \$10,000.00 is now practically out of debt. In the fall of 1918 B. Y. C. will accommodate only two sections of first year students—a section for the ninth grade students from the Training school, and one section for students living in districts without the advantages of high schools.

A large number of influential friends of the College—many parents of graduates—were present at the graduation exercises. In addition to the listed program the following took part; Attorney Bowen, Supt. Matheson, Senator Hanson, Superintendent Maughan, and President Bluff. Honorable Lyman R. Martineau conferred the certificates in behalf of the Board of Trustees.

The Church Teachers' Conference is held in Salt Lake City for three days, commencing to-day. All the B. Y. C. teachers who are not leaving or have already left for summer schools are in Salt Lake City attending this convention. More than one-fourth of the teachers, however, are to be at summer school this summer.

For the last few days the Crimmon Annual has been adding much "local color" to the rooms and halls of the B. Y. C. The Annual, which was distributed at the Auditorium on Monday evening when the forth year high school graduating class entertained the school in its dancing party following the presentation program. The annual surpasses anything ever done in B. Y. C. annuals and compares very favorably with the other year-books of other schools, many of which have spent much more money in the production. Editor Zimmerman and his staff are certainly to be congratulated. Everything is first class—the design, the literary articles, the photos, the cartoons, the snap-shots. Many of the students, especially the graduating students are adding to the interest of the book by subjecting the fly leaves to an addition of autographs.

## CONFERENCE WILL BE HELD ON SUNDAY

The quarterly conference of the Cache Stake will convene Sunday next, June 4, with meetings at 10 in the morning; 2 in the afternoon and also at 7 o'clock in the evening in the Logan Tabernacle.

The visiting brethren from Salt Lake City will be Elders George A. Smith and J. Golden Kimball.

There will be a priesthood meeting Saturday evening commencing at 7:30 o'clock to which all members of the priesthood are requested to attend.

The Motor Sales Corporation unloaded and delivered a carload of Reo automobiles yesterday.
